

## BEYONCÉ'S wild obsession

When it comes to her shoes, Beyoncé's got animal instincts — lately she's been going wild with a slew of sexy leopard prints. "They're a fantastic way to take

any outfit up a notch," explains shoe expert Meghan Cleary of Missmeghan.com. "They're playful and fun, and the print matches almost anything!"

B matched one pair of leopard stilettos with her belt on July 10...

...then stepped out in these Giuseppe Zanottis on July 12!
